MANSFIELD PRIMARY ACADEMY Advisory Council Members

**Do you want to help make a difference by sharing your expertise?
Are you looking for a new challenge?**

Mansfield Primary Academy is seeking to appoint new members to our Academy Advisory Council (AAC) to ensure we have the capacity and skills to oversee the next phase of our work.

Ideally you should have a passion in supporting the development of children and young people and ensuring that every child within our academies can be the best they can be.

We are seeking to recruit a number of Council members across the Trust group, in all our regional areas and expect that different candidates will bring a range of skills and experience to the Trust. In particular we are looking for individuals who would benefit our Academies in a number of key areas including:

- Local business opportunities
- Local community involvement

The Council provides advice and support to the Principal of the Academy, represents the interests of the local community and reports to the Greenwood Academies Trust Board on local issues to ensure the Academy is as successful as possible.

Council members are required to attend three termly Advisory Council meetings a year; meetings are held on weekday afternoon/evenings at the Academy.

You will also be encouraged to participate in the life of the Academy between Council meetings, attending Academy events and acting in an ambassadorial role for the Academy as required.

The roles are unpaid voluntary positions. Reasonable expenses are paid if appropriate. Positions are advertised for a period of three (3) years (the term may be renewed).

Prospective Council members who best meet our requirements may be invited to speak to some of our existing AAC members.

If you are interested in being part of a thriving Academy and want to help shape the future of our children, please complete the attached application form.
