1pm	Jen	Police Sergeant

*My name's Jen and I am a Police Sergeant in the Metropolitan Police Service. I am currently in the Business Support world and prior to this I spent 13 years on response team in various parts of London. I used to be a Scout leader for 16 years, which regrettably I had to give up last year. I am passionate about empowering women also, and we STILL do not have enough women employed by the Police*
