18 December 2017

Dear Parents/Carers

Lunchtime arrangements

Following the success of the new lunchtime arrangements, we are asking you to choose your children's preferences on a 6 week rotation basis. This means from January 2018, if you choose dinners for your child, they will be having a choice from our menu for the 6 week block until the next choice form is sent out to you. Children having a school meal will continue to choose their meal choice from the selection on offer daily.

Likewise, if you choose sandwiches for your child, you will need to send them with a packed lunch from home for the 6 weeks until the next rotation.

Remember to look on the school website for our menu choices, or you can view the menu for the week in our office reception, copy printed out and attached to the internal doors, and on our welcome messages screen.

Please complete and return the form below to school no later than Thursday 21st December 2017

Yours sincerely

Carmel Atkinson
Principal
