Dear Parents/Carers,

I am delighted to have been appointed as the Headteacher of Mansfield Primary Academy. It is an absolute privilege to have been asked to lead the school into the next phase of its improvement and growth. At the heart of my vision for the school is a commitment to high standards, inclusion and social mobility.

Having been in educational leadership for over 20 years, I intend to build an academy that is not just another school, but a community of enthusiastic children and dedicated staff who strive for excellence in all that we do. I aim to give children the best possible start to their education and I am an advocate of providing memorable experiences and opportunities to all children at our academy, enabling them to learn through first-hand experiences and a relevant and broad curriculum.

As a father to two school-age children myself, I know that parents/carers will now want a period of stable and consistent leadership at Mansfield Primary Academy. We have a number of exciting plans being developed, but we will limit the number of significant changes, focusing on getting everyday routines and habits consistent and ensuring high quality teaching and learning. The children will be at the centre of all that we do and every decision that we make. Together, we nurture their safe and happy development; celebrate achievements of all kinds; and share exciting experiences that will remain with us all for a lifetime.

With a high turnover of academy leaders in recent years, my commitment to our students and parents/carers is to be a visible and approachable Principal; one who truly champions our students and their many successes, and is committed to the long-term success of the academy.

It is a privilege to have been appointed and I look forward to working with you all in the coming months and years.

Yours faithfully

D Jane
