Tapestry

Tapestry is an on-line system which allows us to create an individual Learning journey for every child in EYFS. We can add comments, notes, photographs and videos of your child and then link these to the Early Years Curriculum.

Boom reader

**Read**

Boom reader (also known as Go Read) is an online reading log linked to each pupil. Please log any books that you share at home together. In school, books are also logged onto this. This will continue with your child all the way through school.
