

Multiply

HELP YOUR CHILD'S NUMERACY

We are excited to offer FREE* numeracy sessions to help you support your young person with schoolwork, whilst improving your own skills.

Free sessions providing ideas and games to help support your child in conquering maths.

For more information, please contact

* Multiply sessions are completely free to all Nottinghamshire adults aged 19 or over on 31 August 2022 who don't already have a Grade 4/C GCSE maths qualification or equivalent and wish to improve their maths skills.
